

INTER-GOVERNMENTAL MARITIME CONSULTATIVE ORGANIZATION

LTG/A/4.01

COM/Circ.9  
30 April 1964

LISTENING FOR DISTRESS CALLS

1. The Indian Government has requested the Secretary-General to circulate information relating to the establishment and maintenance in that country of continuous listening watch on the distress frequencies, in compliance with Recommendation 26 of the International Conference on Safety of Life at Sea, 1960.
2. This information appears in the annex to this circular.

Chancery House,  
Chancery Lane,  
London, W.C.2.
