Ref. T2/2.05

IALA BUOYAGE SYSTEM

- 1 At its forty-fourth session the Maritime Safety Committee was informed of the Resolution on the IALA Buoyage System adopted by the IALA Buoyage Conference, Tokyo, 1980.
 - 2 The Committee adopted the Buoyage System attached to the Conference Resolution, which contains rules for a single buoyage system with two regions designated A and B for lateral marks, which is given in NAV XXV/15, Annex 19.
 - 3 The IALA Buoyage System supersedes System A approved by the Committee at its thirty-fourth session which was circulated to all Member Governments by SN/Circ.80 of 21 May 1976 and SN/Circ.89 of 6 July 1978.
 - 4 At the request of the Maritime Safety Committee this information is brought to the attention of Member Governments.
-
