| Sector Honolulu, Territorial Sea - Maui Island/General/MSIB | MSIB | Commercial Vessel Beach Ingress & Egress Safety Awareness This MSIB discusses commercial vessel operations in Maui County but is generally applicable amongst all Hawaiian Islands for awareness and review of Restrictions listed on their respective State of Hawaii Department of Land and Natural Resources (DLNR) Division of Boating and Ocean Recreation (DOBOR) Ocean Recreation Management Area (ORMA) Permit or other Rules. https://dlnr.hawaii.gov/dobor/maps/ Marine Safety Team Maui recently investigated a marine casualty involving a swimmer entering the Kaanapali Ingress/Egress Zone and being propped by a beached vessel resulting in serious injuries to the swimmer, Sector Honolulu has issued this MSIB to raise awareness among the public, state and local agencies, as well as the local commercial Small Passenger Vessel fleet. This bulletin emphasizes the importance of adhering to safety protocols in Hawaii State Code during beach ingress and egress operations of commercial vessels, particularly those operating near Kaanapali, Hawaii. Kaanapali Beach includes five Ingress and Egress Zones, each spanning 500 feet wide. Within each Zone, multiple 100 foot wide Corridors may be used, with only one catamaran allowed per Corridor at any given time. Hawaii Code R. § 13-244-37 (4)(i) requires vessels to place daily markers to delineate the Corridor in use. The ORMA Permit further defines this as a Restriction requiring the markers to be temporary beach signage with the wording, design, and placement approved by DLNR/DOBOR to warn beachgoers of the catamaran ingress and egress area. | |
